In order for our students to pre-register for the summer school, they must send an e-mail to hazirlik@ticaret.edu.tr specifying the right level until Tuesday, June 7, 2022, at 16.00. Final registrations will be made through the ÖBS system of our university on 8-9 June. Lessons and exams will be held FACE TO FACE. In addition, the courses will be published simultaneously in the Blackboard Collaborate LMS system and will NOT be RECORDED. It is compulsory to attend the classes at 70% in the summer school.

Scholarships and Discounts in Summer School:

• All of our students who have the current ÖSYM discount in our University's Faculties and Preparatory School will be able to benefit from the same discount in the Summer School.

• Our foreign students, who are given a discount at our university, will be able to benefit from the same discount in the Summer School Program at the Faculty and Preparatory.
