Evaluation Of Applications

1. Applications are evaluated by “International Students Evaluation Commission” composed of at least five people and formed by the rector of the university,

2. The commission makes the evaluation on the basis of grade and preference of the student by taking the quotas assigned by the university into account. Main candidates are set according to the order of preference beginning from the candidate with the highest mark. Substitute candidates are set on the basis of grade and preference of the student on condition that it does not exceed the number of quotas assigned for the department.

3. Evaluation of the applications made to the departments admitting students by special talent exams are conducted according to the procedure of student admission by special talent exam. The evaluation made by the university can be conducted as a written test, interview or via application file of the student.

4. Validity periods of the equivalent exams to the university entrance exam are two years.

5. In case adequate application is not made for the program or assigned quota for the department cannot be reached, remaining quotas can be added to the quotas of other programs by the university,

6. To provide the conditions for application does not mean an admission for placement. Evaluation of the applications placement of candidates and filling the assigned quotas are totally at the sole discrete of Istanbul Commerce University.

7. The list of the successful candidates is announced on the web site of the university and the letter of admission is sent to them by the International Office by hand, post or e-mail.
