DESIGN WORKSHOP

JULY 03-08, 2017

ANTALYA INTERNATIONAL UNIVERSITY, Department of Architecture
is partnership with
ISTANBUL COMMERCE UNIVERSITY, Faculty of Architecture and Design

The subject of the Workshop is reactivation of social housing estates in Antalya by designing urban infrastructure on real scale. Organized in partnership with Antalya International University and open to all the students, the Workshop is a great opportunity to work in teams with students from other universities. It will also be a unique experience for you to work on a project from the beginning to the end, including its realization on real scale.

The workshop participation fee is 50 tl. This price includes daily lunches,transportation to the project sites, opening and closing ceremonies, participation certificates and one day study trip in Antalya region. Antalya Intenational University dormitory can be provided for Students not living in Antalya.

Maximum number of participants: 25 ITICU students

Registration deadline: June 10, 2017
