TÜRKMENISTANYŇ ILÇIHANASY
EMBASSY OF TURKMENISTAN
ANKARA

01-11/5129

The Embassy of Turkmenistan in Ankara presents its compliments to the Ministry of Foreign Affairs of the Republic of Türkiye and, has the honour to inform that on 18-20 November 2024, the International University of Humanities and Development of Turkmenistan plans to organise the International Internet Olympiad on the subject «philosophy» with the participation of leading higher educational institutions.

The invitation and regulation of the Internet Olympiad are attached to this note.

In this regard, the Embassy kindly requests the Esteemed Ministry to assist in forwarding the attached invitation to the higher education institutions of the Republic of Türkiye for their participation in the International Internet Olympiad mentioned above.

The Embassy of Turkmenistan in Ankara avails itself of this opportunity to renew its assurance of its highest consideration to the Ministry of Foreign Affairs of the Republic of Türkiye.

Invitation

Dear Sir/Madam,

The International University of Humanities and Development is organizing online an International Philosophy Olympiad for University Students (IPhOUS-2024) of international and Turkmen higher educational institutions on 18-20 November, 2024. IUHD is honored to invite students of your university to participate in the Olympiad, as we believe this Olympiad will support our common mission of strengthening friendly relations between students and teachers of higher educational institutions, together with providing an opportunity for exchanging mutually beneficial scientific and practical knowledge and experience.

Official languages of the Olympiad are English, Russian and Turkmen.

The Olympiad will be conducted at Categories A and B:

Category A- students studying any discipline are allowed;

Category B-only students who are not studying in the philosophy and social sciences.

Each of the participating universities can nominate several students who will take part in the Olympiad. There is no restriction for the number of participants.

A higher education institution participating in the Olympiad may offer 20 test questions and 5 theoretical questions. The problems should be sent to the organizing committee 20 days before the date of the Olympiad with a clear solution.

Students interested in participating in the Olympiad and their team leaders can register online from October 1 to November 14, 2024 at https://iuhd.edu.tm/competitions

Contact information:
Tel:+993 12 39 85 50, +993 65 80 99 06,
e-mail: *iuhdolympiads@gmail.com*

Your sincerely,

Organizing Committee

b) Prepares proposals for determining the schedule and duration of t Olympiad, as well as methodological and control manuals;

c) Prepares Olympiad problems with representatives of higher educational institutions of Turkmenistan and foreign countries;

2. The procedure of organizing and holding the IPHOUS

2.1 Students enrolled in undergraduate programs of higher education in various areas and specialties of all higher educational institutions of Turkmenistan and foreign countries can participate in the Olympiad.

2.2 The official languages of the Olympiad-**Turkmen, Russian** and **English.**

2.3 Each participating student must be registered through the website https://iuhd.edu.tm/competitions

2.4 Olympiad will be conducted at Categories A and B :

a) **Category A**- students studying any discipline are allowed;

b) **Category B**-only students who are not studying in the specialties of philosophy and social sciences.

2.5 Each of the participating universities can nominate **several students** who will take part in the Olympiad. There is not any particular restriction on the number of participants.

2.6 Students participating in the Olympiad must work independently. During the Olympiad, it is forbidden to talk with a partner, use books and newspaper articles. A participant who violates these rules will be excluded from the list of Olympiad participants.

2.7 A higher education institution participating in the Olympiad may offer 20 test questions and 5 theoretical questions. The problems should be sent to the organizing committee 20 days before the date of the Olympiad with a clear solution.

2.8 Problems can be proposed by a non-participant higher educational institution or an independent expert .

2.9 The jury of the Olympiad will include representatives from higher educational institutions, also scientific and educational institutions of Turkmenistan and foreign countries. The rector of the International University for the Humanities and Development will approve the members of the jury and its Chairman.
