International Graduate Students Interdisciplinary Symposium (IGSIS)

 Maltepe University, Istanbul, Turkey

 May 29-30, 2025

Maltepe University Graduate School invites graduate students from various academic disciplines to submit their full papers for the International Graduate Students Interdisciplinary Symposium (IGSIS), to be held on May 29-30, 2025. This symposium aims to provide an intellectual platform where graduate students can share their research, engage in critical discussions, and contribute to the advancement of interdisciplinary knowledge. By bringing together scholars from diverse fields, IGSIS fosters academic collaboration and encourages innovative perspectives on contemporary issues.

We welcome submissions in the following fields:

 Educational Sciences
 Fine Arts and Design
 Architecture
 Engineering and Natural Sciences
 Health Sciences
 Social Sciences and Humanities

IMPORTANT DEADLINES	
Full Paper Submission Deadline	April 18, 2025
Acceptance/Rejection Notification	April 25, 2025
Announcement of the Symposium Program	May 16, 2025
Symposium Dates	May 29-30, 2025

 Full papers must be original, unpublished, and aligned with the interdisciplinary scope of the symposium. Full papers should be submitted via email to [igsis@maltepe.edu.tr].

 All submissions will undergo a peer review process by the scientific committee.

 Selected papers will be presented at the symposium and considered for publication in the conference proceedings.

 For further details and submission guidelines, please visit the symposium website: https://maltepe.edu.tr/igsis.

 For inquiries, contact us at [igsis@maltepe.edu.tr].

Join us at Maltepe University. We look forward to your valuable contributions!
