

WSSET
World Society of Sustainable Energy Technologies

SET2025

22nd International Conference on Sustainable Energy Technologies

13th - 15th August 2025
Istanbul, Türkiye

Abstract Submission:
1st April 2025

Manuscript Submission:
30th June 2025

Registration & Payment:
25th July 2025

Since its inception in 2002, the Sustainable Energy Technologies (SET) Conference, organised by the World Society of Sustainable Energy Technologies (WSSET), has stood as a premier platform for innovation, collaboration, and thought leadership in the field of sustainable energy. With a rich legacy of over two decades, SET has become one of the longest-running and most respected events in this critical domain.

SET2025, hosted by Istanbul Atlas University, promises to build on this tradition by uniting pioneering minds, researchers, and practitioners from across the globe. The conference will explore cutting-edge advancements, foster meaningful discussions, and ignite collaborations to address the pressing energy challenges of our time. We invite submissions of original research, case studies, and innovative solutions across a wide spectrum of sustainable energy and technology topics:
Renewable Energy Technologies; Energy Storage And Conversion; Low Carbon Buildings And Sustainable Architecture; Sustainable Urban Development And Cities; Policies And Management

Prof Saffa Riffat
Chair

Prof Zafer Utlu
Co-Chair
